2015 MIAC Year in Review.

This year is turning out to be another active year. It will kick off with our potluck party on March 1st and end with our Christmas party on December 4th. There is a new event this year being planned. We are doing our own picnic on August 22nd in Marinwood Park. We have done a combined picnic with our San Francisco counterpart but this year we are going to do our own as a truly Irish family oriented event. Keep going to our website at www.marinirishamericanclub.com for information throughout the year. Flyers for all of our events will be sent to all of our members. We need your help on the MIAC Board

We are looking for some new folks to help us plan and coordinate our events. We have some fun Board meetings and really do a lot of plan some meaningful events each year for the Club. Consider coming to one of our meetings and get involved. You will be happy you did.

MIAC Scholarships may be a good option as part of your estate.

MIAC Scholarship fund would make a very suitable place for a part of your estate. We have helped our members family offset the high cost of college and your donation will only enhance our ability to do more. Consider this as part of your estate and we can dedicate a MIAC Scholarship in your name, if you like.
